this book explores how the children of iranian immigrants in the us utilize the internet and develop digital identities taking los angeles the long time media and cultural center of iranian diaspora as its ethnographic field site it investigates how various web platforms are embedded within the everyday social cultural and political lives of second generation iranian americans donya alinejad unpacks contemporary diasporic belonging through her discussion of the digital mediation of race memory and long distance engagement in the historic iranian green movement the book argues that web media practices have become integral to iranian american identity formation for this generation and introduces the notion of second generation digital styles to explain how specific web applications afford new stylings of diaspora culture

if you ve come to this book with a sincere desire to attain union with god in prayer and you read early christian spirituality with consideration care and with a working highlighter torkington s words might be the catalyst to take you to heaven kevin wells a group of men who had lost hope over two thousand years ago were set afire with love and hope was reborn within them three thousand onlookers were set afire by the same love that brought hope for them too a new church was born this book details more clearly than ever the god given spirituality that jesus christ first lived loved and practised for himself before introducing it into the early church it details the new mystical spirituality that was its heart and soul and shows how it was understood and practised more widely and more deeply in those first christian centuries than in any other century since this profound practice is particularly true at the beginning of the twenty first century when the mystical theology that was the leitmotiv of early christianity seems not just to have been forgotten but positively rejected this book insists that we must cast aside the wrongs and the wrongdoing that have since disfigured it and return to our long lost spiritual heritage without delay for without it christian reform renewal or renaissance call it what you will will be impossible and the secular spiritualities of our me me world will continue to dominate

rejection is a blessing centers its focus on self acceptance by finding a way to heal yourself from within through a spiritual awakening and cleansing of the soul although the subject matter is heavy there is humor infused in each chapter because let s face it life is a smorgasbord of humorous antics where we start may be no picnic but where we end up can bring great wonders count it all joy

as the most current and comprehensive media literacy text hobbs media literacy in action second edition empowers students to question analyze and take action to build better media environments the full color second edition thoroughly covers ai disinformation digital algorithms and regulations and issues like privacy and media addiction
